

A photograph of an older couple walking barefoot on a sandy beach. The man is wearing a white sweater and dark jeans with rolled-up hems. The woman is wearing a pink cardigan and light blue pants. They are both smiling and looking towards the ocean. The background shows waves breaking on the shore.

# DO YOU HAVE AN OPEN WOUND ON THE LOWER LEG?

Call for more  
information about  
a clinical trial  
for venous ulcers  
in the legs.

**213 365-0793** for more details

**Dr. Sigal's Office Address:**  
201 S. Alvarado St. Suite 819  
Los Angeles, CA 90057

The study will evaluate a new oral investigational drug to find out if the wound will heal faster than standard of care alone.

Qualified individuals will receive Physician visits, study medication, stockings, dressings and laboratory tests at no charge as part of the study.

Qualified individuals may receive compensation for their time and travel  
ILKOS Therapeutic Inc. is the Sponsor of the study.
